

White Lake Property Owners Association, Inc.

Annual Meeting & Picnic

Our annual meeting and picnic will be held on **Saturday, July 7th, 2007 at 10:30 AM** at the Ollenburg and Wilcox residences. N4723 19th Avenue (same location as last year, map enclosed.) **If you haven't already paid your WLPOA membership dues (\$30), they are now due. Please include them with your picnic response.**

The mission of the White Lake Property Owners Association is to **preserve and protect the quality and enjoyment of White Lake for all present and future stakeholders.** The annual meeting and picnic is a great opportunity to support this mission by meeting and socializing with your lake neighbors as we learn about the issues and happenings on the lake.

We have an informative meeting planned this year.

- Guest Speaker, Professor Wallace of Ripon College, will Share an Overview and Preliminary Results of his 2007 Water Quality Testing Program which is structured to better understand what is happening with Phosphorous levels on the Lake
- Lake Management District Update Including Review and Discussion of the New Boating Ordinance
- Delicious Brat Fry with Chef Coursey and his Crew

Please remit your registration form to the address shown below. Please return by June 27th so we can order the proper amount of food and drink. **Meeting will be held rain or shine.**

Leo Souder
WLPOA President

The 2007 White Lake Property Owners Association Annual Meeting and Picnic will be held at the Ollenburg and Wilson residences, the same location as last year. The address is N4723 19th Avenue, 3 driveways South of Scharenberg's Resort.

The picnic will be in the shade behind Ollenburg's garage. You may park on 19th Avenue or on the edge of White Lake Lane, as long as you leave room for a vehicle to pass on the lane. In the event of rain, the meeting will be moved to Wilcox's garage.

Be sure to check out the White Lake Property Owners Association's new web site at www.whitelakepoa.org. In addition to some facts about the lake and our organization, it has comparison's of water levels over the years and some great old photos in the History section.
